Assembly Approves Senate Arena Legislation

[Madison, WI] This afternoon, the Wisconsin State Assembly concurred on bipartisan Senate legislation providing public financing for portions of a new arena development project in the City of Milwaukee. Senator Scott Fitzgerald (R-Juneau) released the following statement:

“I am pleased to see that the Assembly was able to approve the legislation passed by the Senate earlier this month without further changes, clearing the last legislative hurdle before final approval by the Governor and the City of Milwaukee.

I believe that the final proposal approved today is a good deal for the State of Wisconsin and I would again like to thank all of the legislators on both sides of the aisle who worked so hard over the past several months to make this deal happen.”

Senate Majority Leader Scott Fitzgerald (R-Juneau) represent the 13th Senate District, which covers portions of Dodge, Jefferson, Waukesha, Washington, Dane, and Columbia counties.
